2. My club is considering upgrading from Tier 1 to Tier 3 OR my club is considering changing Tier 3 software providers. Have we established contact with the appropriate Tier 3 provider as yet? 11. Has my club worked through the process of considering whether to conduct Stableford competitions in conjunction with Stroke competitions? *Yes – we intend to play stableford contests in conjunction with stroke competitions but the final decision depends on how the software handles this combination.*

12. Has my club worked through the process of determining what policies we will operate around the linking of different groups of scores for DSR calculation purposes? 20. Is the Handicapping Authority at my club aware of how the following new regulation will work and when to apply it – “Manual Bonus Reduction for Exceptional Net Score”? See Section 16 of the new handicap system.) *Yes – a request will be referred to and then decided by the Captain*

21. Has the Handicapping Authority at my club worked with the committee in charge of each competition conducted by the club to determine whether or not to adopt the GA recommendation that any player whose GA Handicap has reverted to provisional status (as per Section 14(iii)) will not be eligible to win a prize in a competition or to win a competition? *We are still considering the correct policy with reference to this matter for our club.*

22. Has the Handicapping Authority at my club established whether to set competition grades with reference to GA Handicaps or with reference to Daily Handicaps. The GA recommendation around this is provided at Section 6(ii)(K) of the new handicap system. The recommendation is as follows: To enable comparisons and consistency from club to club and from one set of tees to another set of tees, it is recommended that handicap competition grades be determined on the basis of GA Handicaps (given that it is considered preferable by the club to split players into separate handicap grades for handicap competition purposes). *No change – we will be deciding competition grades on competitions played at our club on the Daily Handicap of each player.*
